Dear Parents:

We are very excited to bring the Pennsylvania Snowpass Program to all 4th Graders! This program provides tremendous recreational opportunities for your children while experiencing the wonderful wintertime activities that our resorts have to offer!

Please consider this opportunity an introduction to a lifetime activity that is healthy, wholesome and family oriented. These sports are activities that boost self-esteem and allow a child to have fun, get outdoors and exercise all at the same time.

We encourage you to have your child participate in this program by taking them to the resorts to enjoy, as a family, the feel of schussing down the slopes on a pair of skis or snowboard. We also encourage children to take lessons to improve their skiing and boarding skills.

Thank you,

Linda E. Irvin, Director, Pennsylvania Ski Areas Association
